From the Acting Principal.....

Dear Parents / Caregivers,

Written reports for all students for semester 1 are being finalized and will be sent out to parents in the last week of this term.

There has been a slight change to the report format this year. The report will be presented in an A4 format rather than A5. This will allow both semester 1 and semester 2 reports to be incorporated into 1 document.

Teachers use a range of different assessment strategies and tools to gather evidence of student's achievement with reference to the achievement standards in the Australian Curriculum. Based on the evidence, teachers make judgement to decide which grade matches the standard your child has achieved. Your child's attendance is recorded on the report as attendance is recognized as an important indicator of student wellbeing and engagement. A student who is absent from school or continually arrives late to school often achieve lower grades than those who arrive at school on time and attend school regularly.

Comments will be provided for all subject areas to give more information on what the students are learning and their achievements in all curriculum areas.

For the Reception to Year 3 students scores will be provided for Reading levels (RR), Oxford Sight Words and Jolly Phonic Sounds. Each of these will have different scores depending on the benchmark for each year level as follows:-

	Rec	Year 1	Year 2	Year 3
Reading Recovery	RR level 5	RR level 15	RR level 21	RR level 30
Oxford Sight Words	50 Tricky words 100 words	Read 200 words	Read 300 words	Read 404 words
Jolly Phonic Sounds	Read 42 sounds	Write 42 sounds		

Jolly Phonics Sounds refers to how many sounds your child can read or write.
Oxford Sight Words refers to how many high frequency sight words your child can **read**.
Running Records Level refers to your child's reading level

Achievement:

A	Excellent achievement of what is expected at year level
B	Good achievement of what is expected at year level
C	Satisfactory achievement of what is expected at year level
D	Partial achievement of what is expected at year level
E	Unsatisfactory achievement of what is expected at year level
N/A	Not assessed at this time

Effort

+	Excellent
0	Satisfactory
-	Needs improvement

Kind Regards
Sharon Willoughby
Acting Principal

Message from SRC

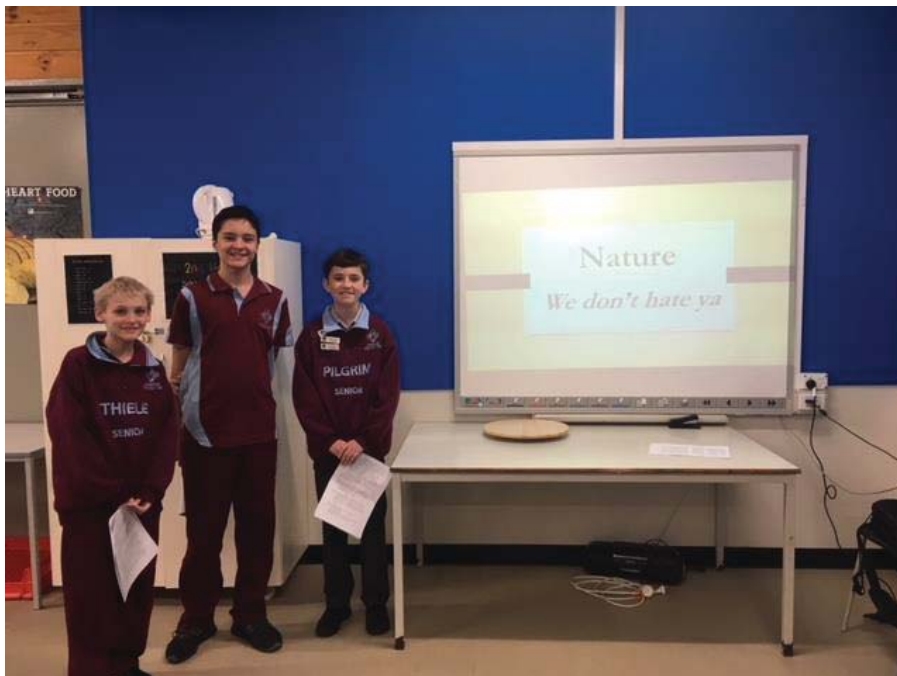

- There are many students running around the buildings and paved areas, this is dangerous. Chases and running games are to be played on the ovals.
- Lizards - being respectful to the lizards in our yard.

Student Leadership Team

The Kid's teaching Kid's sessions offered to Campus classes on Thursday 7th June went extremely well and were followed up by the Nature walk in the evening. Thank you to the parents and students who supported the "Nature we don't hate ya!" event organised by the Campus SLT students on Thursday 7th June.

Nude Food Dudes:- Please help support your child by packing them a Litter Free Lunch. Students are earning points towards their team to win the Campus Way Cup for this term. This will be announced at the Campus Assembly in week 1 term 3.

Trent Hill Incursion

The Junior Primary students along with the Year 5/6 students from T14 participated in a session with Trent Hill last week. During this session the students were taken through experiences and stories about Aboriginal culture and lifestyle. The Year 3 - 7 students who did not attend these sessions will participate at a time to be re-scheduled due to Trent being ill this week.

Fun n Games

This program is for Reception students and runs in Terms 1 & 2, it is designed to develop gross motor skills such as hopping, skipping, balancing, throwing and catching with an emphasis on concentration and listening skills. These skills are vital to the success of learning and participation in the playground.

Performing Arts Showcase

It's coming up to that time of year again! **Campus Performing Arts Showcase 2018** will be held in Week 4 of Term 3, on Thursday 16th August. As per previous

years, there will be a Matinee (1.30pm) and an Evening (6.30pm) Performance – forms will be sent home in Week 1 of next term with all the details, ticket orders, permission slips for participating students, etc., so please keep an eye out for this.

Large ensembles performing include our Junior and Senior Choirs, Campus Band, Drama Club, Dance Troupe, Recorder Ensemble, and Class Act.

Additionally, auditions will be held in Performing Arts lessons during Weeks 9 and 10, for individual and small group acts, with some very talented students across all three schools being given the opportunity to share their skills.

We look forward to sharing this exciting event with you next term!

Ally Cunningham

Knockout Soccer Round Two

Thiele Primary School vs Nativity

The highly anticipated game between the two home teams did not disappoint. Both teams came out to win, Thiele scored the first goal which was quickly decided offside, Thiele went on to score again just before half time. Nativity scored soon after the second half commenced with the scores now even. Nativity was quick to follow, scoring their second goal. Jake P scored his second goal and evened the scores for

Thiele getting them back in the game. With full time approaching a penalty shoot-out was becoming likely, until Nativity was to score the winning goal. The 3-2 victory was hard fought, both teams played exceptionally well and should be proud of their efforts. Unfortunately for the Thiele boys this means that they are knocked out and Nativity will go on to compete in round three.

Pedal Prix

Our students participated in their first Pedal Prix race at Victoria Park on Saturday and Sunday. The Saturday team is made up of Old Scholars – students who attended Campus and are now at high school. This team finished 4th in their category. On Sunday our Year 6/7 students competed and finished 7th in their category.

Well done to all of the students, parents sponsors and support staff including Gem Kasse and Chris Gent for battling the cold and wet conditions.

Premier's Reading Challenge

The Premier Reader's Challenge is once again underway and will finish in September. The students are able to write any books that they have read this year on to their PRC sheet. To participate in the PRC students must read 12 books, of these 8 should be from the PRC list and the other 4 can be anything they choose. Reception students are able to record books read to them during class time. If you or your child/ren would like support to select books to read Hajnalka Malloy is available before, during and after school to assist.

Car parking

Please be respectful to the safety of our students and staff members by adhering to the parking signs in and around our schools.
