At this stage we are providing information to our families using SkoolBag, Facebook and on our website. As you would be aware from our previous communications, we are requesting that you notify us via DL.1664.info@schools.sa.edu.au if:-

- your child/ren are required to be at school and the days required
- you need additional devices for your child/ren to ensure they all have access to a device throughout the day
- you require printing
- you need access to the internet

Any student attending school will meet in the morning on the COLA and they will be taken to the classroom in which they will be working by teachers.

Parents/Carers are encouraged to stay out of the school grounds, however, any Parent/Carer entering the school ground to bring their child/ren to school during this time are required to wear a mask and stay for the least amount of time as possible and stay on the COLA.

Teachers will be in contact with Parents/Carers to provide more information in regard to your child's online learning and with more information about the routines and organisation of their class.

At this stage there has been no final decision regarding strike action, we will keep you updated as we know more.

Regards

Sharon
