THIELE PRIMARY SCHOOL

FROM THE PRINCIPAL

Dear Parents/Carers,

It is wonderful to have all of the students return to school this week and we would like to especially welcome our new Reception students who have started their school journey this year:- Aavan K, Laiken P, Ollie L, Riley P, Luca H, Elke D, Mason K, Logan T, Keanna C, Zahara G, Joshua W, Sully M, Eloise C, Layla C, Michael D, Makenna Z, Lara J, Elijah V, Ellie T, Archie M, Skyla W, Jasmine M and Grace T.

In the interest of safety and welfare for us all, we are minimising the number of visitor's onsite and continuing to request that parents/carers remain off of the school grounds as much as possible. If you require to come onto the school grounds for any reason, masks are to be worn. We are requesting that children are dropped at the school gates:- Kiss and Drop area, Heysen gate or at the gate near the COLA. If your child/ren are not confident to come to their class on their own you can wait with them near the COLA and a staff member will support them to their classroom. This year, before school, students are being asked to wait quietly near their classrooms. In the interest of safety, the Budapest gate will remain locked and parents/carers are asked to collect their children from the Kiss and Drop area or Heysen gate as these are the areas that we have supervised by staff members after school.

Thank you to the parents/carers who attended our online AGM meeting on Tuesday night. It was wonderful seeing some new faces and sharing our Annual report with you. We are looking forward to working with the Governing Council Committee members again this year.

Take care, stay safe and continue to keep in touch with us at all times through our many communication channels.

Regards,

Sharon Willoughby

ROOM UPGRADES

There have been many upgrades within our school and on Campus, including the newly installed doors in the Coorong building, the new carpet in T4 and T5 as well as in the Front Office area. These upgrades have made an enormous difference to the look and feel of the learning spaces and are appreciated by our students.

CAMPUS UPGRADES

Upgrades around Campus include the bark chips in the primary playground on the top oval being replaced by rubber matting, the recent completion of the Nature Play Space near the library and the installation of the new signs for Campus and each of our individual schools. The signs include maps which will address the confusion for visitors knowing where to find areas within our school grounds. You will also notice that old garden beds in our area of the community garden have been replaced with new raised garden beds with watering systems.

Many of these changes have been instigated from the feedback from parents and caregivers through conversations and surveys. We thank you for your feedback.

IGNITE at Aberfoyle Park High School

IGNITE is a specialist program for students with high intellectual potential. Aberfoyle Park High School is the official Department for Education school for gifted students in the southern metropolitan area of Adelaide.

HOW DO I KNOW IF MY CHILD IS GIFTED?

The characteristics of gifted children vary; however, many display some or all of the following traits:

- High levels of curiosity and deep levels of knowledge in one or more area
- Excellent creative thinking and ability to problem solve
- Strong empathy and social justice
- Highly developed sense of humour

Initial selection is based on performance in the Australian Council for Education (ACER) Gifted and Talented Assessment.

Year 6 students in 2022 are eligible to sit the test for a place in the Year 7 IGNITE program in 2023.

PURPLE DAY

26 March 2022

Stronger together

Purple Day is a global initiative dedicated to raising epilepsy awareness, dispelling myths, and increasing support to those affected. Show your support and help the cause this year on 26th March. Click [here](#) for more information on Purple Day.

KELLY SPORTS WEEKENDER PROGRAM

This program gives children skills and confidence in a fun and enjoyable environment. It also encourages enthusiasm, participation and life skills that such involvement brings, giving confidence to join sports clubs and teams in the future. Find out more about the 8 week program [here](#).
