Remote Learning Update - 31st January 2022

Good afternoon,

Hard copies of remote learning packs for students in Years 2-4 will be available for collection from outside of the Thiele Primary School front office tomorrow (Tuesday 1st February) between 1.30-3.00pm. Please note that students in T14, T15 and T16 will be participating in online learning only. However, if families of these students have indicated previously that they required hard copies, they will also be available for collection at the same time tomorrow.

If you have informed the school that you require a device, please come into the office to collect from 1.30-3.00pm tomorrow (Tuesday 1st February).

Class teachers will be providing further information soon on how to access the online learning.

We thank you for your understanding and cooperation during this time.

A reminder that the best way to stay up to date with information is via Skoolbag and the new Thiele Primary School Facebook page and website.
