THIELE PRIMARY SCHOOL

## FROM THE PRINCIPAL

---

Dear Parents/Carers,

We would like to officially welcome Renata Brook to our school. Renata will be working in the Front Office.

The Premier's Reading Challenge has started for this year and will conclude mid-term three. Students are required to read 12 books. These books can be e-books, audio books, class/shared reading, prescribed books for school, non-fiction books, books read as research for assignments or books in another language. Reception to Year 6 students must read 8 books from the Premier Reading Challenge booklist and 4 personal choice books. Once the books are read they are recorded onto the student reading record listing. The title and author for each book and is to be signed off by a teacher, parent, caregiver or librarian. This form is handed to classroom teachers and sent on to our Premier Reading Challenge Coordinator for students to receive their award in late November. Let's hope to see all of our students receive an award this year! Click [here](#) for more information.

Sustainability is one of our important values and it is pleasing to see our Youth Environment Leaders speak to our students at assembly last week about Barefood. Barefood is an initiative to encourage students to pack a lunchbox containing no litter. This can be achieved by removing the wrappers at home before packing the food into lunchboxes, packing fruit which provide their own wrappers, buying larger quantities of food and packing the required amount into a lunch box—this is not only beneficial to the environment but also beneficial to the family budget. T1 was the class with the most Barefood lunch boxes last week!

Our Youth Environment Leaders Challenge to you is to pack a Barefood lunchbox every day! We know you can do it!

You can also recycle your bread bags and tags by bringing them into our Front Office and placing them into the Wonder Recycling box.

Kind Regards,

Sharon Willoughby

# STUDENT NEWS

## BAREFOOD

Our Youth Environment Leaders are looking forward to seeing how students can tackle the Barefood Challenge. A big movement always begins with small changes - What small change could you make to step towards Barefood lunches? Here are some examples of Barefood lunchboxes. Bring on the challenge!

## STUDENTS LEARNING NEW SKILLS

Students at Thiele are learning many skills every day. Some of these new skills involve activities in the garden such as sowing seeds, planting, weeding, harvesting and planning for the winter months. Junior and senior students are involved in gardening groups and garden throughout the week during recess and lunch times.

Numerous students are also learning to knit. They are making squares which will be turned into blankets to give to St Vinnies for people experiencing homelessness. This purpose for knitting has energized their determination to have a go and push past the difficulties. Thank you for supporting their outstanding efforts.

We are looking for donations of knitted squares; (21 stitches, wool 8-12 ply, size 5 needles) from anyone in our school community. There is a box in the Thiele front office to place any donations of knitted squares, wool and/or needles.

We greatly appreciate all of your support and kind donations.

Kind regards,

Roslyn Schmarewski, Thiele Pastoral Support Worker
