## Ready4SUCCESS

Dear Parents / Caregivers,

Ready4SUCCESS is a local business supporting school-aged children in their journey to improved learning, communication, and life skills.

Their after-school programs support a range of neurodiverse children from Reception to Year 12. Ready4SUCCESS provide specific and targeted Group and 1:1 programs to develop skills and support growth and wellbeing. They do this in a number of ways, always with the child's needs at the first and foremost, and with goals of positive and ongoing sustainable outcomes.
