DISCOUNTED MATERIALS AND SERVICES CHARGE

Dear Parents / Caregivers,

You may have read about the state government's initiative to provide a \$100 discount on both the 2022 and 2023 Materials and Services Charge. I am pleased to provide you with a letter signed by the Premier and the Minister for Education, Skills and Training. The letter provides additional information about the initiative.

You can access the letter [here](#).

You don't need to do anything at this stage. We will be processing the discount or rebate as a matter of priority, however there are preparations that we need to make. We will provide you with additional information shortly.

Kind regards,

Thiele Primary School
