

## From the Principal

Dear Parents/Carers,

In response to our Bully Survey conducted at the end of Term 1 our students in T3, T13, T14, T15 and T16 will be attending a performance at school this Thursday afternoon to support their learning about CyberSafety. This SafetyNet program will explain cyberbullying (what it is, what it is not, how to recognise it), online activities, online dangers, respectful behaviour, gaming and age restrictions in Australia, digital footprint, privacy and where to go for help.

The parent/carer SafetyNet program 'It takes a village' is a 1.5 hour program explaining bullying, statistics, current online/social media trends and dangers, account management, privacy and reporting, what parents can do to help reduce online risk and harm and where to go for help. If you are interested in attending this online program this evening, Thursday 27th July at 7pm – 8:30pm, please click [here](#) to register in advance. After registering, you will receive a confirmation email containing information about joining the webinar.

If your child, or a child you know, turns 5 before 1st May, they can start school at the beginning of 2024. If your child or a child you know turns 5 on or after 1st May, they start school the following year.

School transition for students starting school at the beginning of 2024 will begin in Term 4. If you have not yet met with me and had a tour of our school or lodged an enrolment form for your child please contact Renata at our Front Office, 870 4222 or email [Renata.brook241@schools.sa.edu.au](mailto:Renata.brook241@schools.sa.edu.au) to make a time or collect an enrolment form.

Kind regards,

*Sharon Willoughby*

If you are interested in volunteering within the Community Garden or have any seedling donations, please contact the Front Office.

# Youth Environment Leaders

## YELP - YOUTH ENVIRONMENT LEADERS PROGRAM

Our YELP students have been taught how to make compost bin liners using newspaper. Their aim is to make these to replace the decomposable bin liners for the classroom compost buckets. This will not only save money, but will benefit our compost by adding paper to our compost mix.

We would be grateful for any and all newspaper donations to support this project. If you have or know of anyone who has newspapers please bring them into the Front Office. We appreciate your support with this.
