Campus Sport Opportunities

2024

Welcome

Dear Parent/Guardians and Students,

This booklet will outline the school-based sporting programs and opportunities available to Campus students and describe the requirements to be involved in Sapsasa carnivals and events.

If you have any further queries please direct them to the Aberfoyle Park Primary School Campus Sports Coordinator, Mr Brett Middleton, or the Campus Administrator, Ms Bianca Henderson.

Physical Education Staff and contact information.

Mr Brett Middleton

middletonb@pilgrim.sa.edu.au

Mr Simon Reeves (PE teacher)

Campus Sport opportunities

Campus team sport is a major focus in which children are encouraged to participate in their preferred sporting activity, whether it is competitive or skilled based.

We offer the following team sports for students in Year 2 to 6 (or the year they turn 8 years old) in line with our Campus Sports Guidelines.

- Cricket - Term 1 and 4
- Basketball Term 1 and 2 – Term 3 and 4 (a semester commitment is required)
- Soccer - Term 2 and 3
- Netball - Term 2 and 3

Registrations for these sports are completed through TryBooking. To register and pay for your child please follow this TryBooking link.

<https://www.trybooking.com/COUDN>

Students and Families will receive reminder notification when the registrations will close. This will be communicated via email to ensure everyone receives the information. Please keep an eye out for this information.

During the year we will also engage with external providers to offer our Reception/Foundation to Year 2 students' skill-based clinics. This information will be provided to families as we receive the information. Some of the clinics we have run in the past are listed below;

- AusKick
- Woolworths Cricket Blast
- Mini Roos
- League Stars

Sporting teams and categories offered are dependent on the interest received and can only run with adequate numbers, coaches or providers and supervision.

Campus Sports Day

Our Campus Sport's Day is a very big event for our school, its students and teachers. It's a community filled day celebrating the Eyre, Flinders, Murray and Yorke houses. Sports Day for 2024 will be held on **Friday 8th of March Week 6, Term 1.**

Campus Sports Captains

Year 6 students have the opportunity to nominate themselves to be elected as a Sports Captain. One year 6 student per house per school will be elected. Students wishing to be considered will need to write a one-minute speech to present to their house team before a vote takes place. This election process is conducted in the first few weeks of term 1.

Campus Sports Captains are responsible for leading their team throughout the year, including in the lead up to, and throughout Sports Day.

Their responsibilities include:

- Helping in the setting up and pack up of equipment on Sports Day
- Leading the chants for their house's
- Demonstrating and leading the whole school Sports Day warm up
- Lead their team by setting an example in terms of performance, behaviour and effort.
- Work with the Campus Sports Coordinator throughout the year to assist with organisation of sports and Physical Education.
- Actively demonstrate a proactive attitude and set a positive attitude towards Campus school's values.
- Provision of leadership through modelling fair and co-operative behaviour
- Running PE week activities

Trial Day

Trial Day will be held on **Thursday 22nd of February** (week 4, term 1) on the Campus middle oval. This day is for students in Year 4 to 6 who wish to trial for Sapsasa athletics (Campus). Pilgrim and Nativity year 3 students who wish to trial for SACSA athletics (Pilgrim) and SACPSSA athletics (Nativity) teams will also need to attend Trial Day. Data will be collected and used throughout the year for the various athletics carnivals.

Finally, year 6 students who are competing for the Champions trophy will need to attend Trial Day. The Champions trophy recognises the highest point scoring male and female student throughout the Sports Day season. Results from Trial Day, along with results from Sports Day will be used to determine the trophy winners.

*Please note 100m and 200m trials will take place during PE lessons. This data will be used for the various athletics teams and also to determine finalists for Sports Day Races.

Sapsasa Opportunities (Year 4 to 6 students)

Your child may be able to participate in a number of Sapsasa District sporting programs representing Campus through their individual schools in the Southern Heights District.

- Sapsasa swimming carnival- Friday March 1 (term 1, week 5)
- Sapsasa track and field carnival- Thursday March 28 (term 1, week 9)
- Sapsasa cross country carnival- Tuesday May 14 (term 2, week 3)
- trials for district-based competitions (**year 5 and 6 only**)
- Statewide schools competition (formerly Knockout Sports)

Expression of Interest

Please complete the online Google Form to indicate your child's expression of interest of any of the **Sapsasa** available sports

<https://forms.gle/u1733pM9jeLvG9pQ8>

If you are unable to complete this form online please email the Campus Administrator to request a hard copy.

Selection criteria

Selection is based on ability, attitude and behaviour. Selected students must have the principal's endorsement to compete. Parents please advise via the **google form** of any specialist or niche sports your child may be involved in so we can appropriately inform you of opportunities that pertain to their skill set.

Age requirements

Individual sports

Children must be **turning 10** in the year of competition. Individual sports are cross country, swimming and track and field championships.

Team sports

Children must be:

- in year 5 or 6
- turning 11 in the year of competition.

State championships

The individual school championships are for school teams. Campus competes in the following Southern Heights district carnivals.

- Swimming (Term 1) Times and strokes must be provided via the **expression of interest google form**.
- Athletics (Term 1) Trials are held at Campus and interest provided via the **expression of interest google form**.
- Cross Country (Term 2) confidently run and complete distance for their age group and interest provided via the **expression of interest google form**.

Due to the limited entrants per event and age group, except in the case of Cross Country, students will be required to trial internally for their school or provide data to demonstrate adequate athleticism to be nominated.

State carnivals

The School Sport SA state carnivals and state championships are for district representative teams. These include: AFL, Soccer, Hockey, Netball and Softball.

If your child plays any of the listed sports at an elite and highly competitive level, please indicate if you would like to receive information about the Southern Heights districts trials **when completing the expression of interest google form**.

Statewide school competitions

Each individual school can choose to compete in the state-wide school competitions, formerly known as (Knockout sports). These are managed by each school separately to Campus.

Trials for selection will only be held on a need's basis. Selection is based on ability with priority focused on Year 6's ahead of Year 5's, however, it should be noted that Year 5 students could and will be selected before Year 6 students if, in the opinion of the selectors, they have greater ability.

SACPSSA and SACSA Carnivals

(For Nativity and Pilgrim students)

South Australian Catholic Primary Schools Sports Association and South Australian Christian School Sports Association hold carnivals that run throughout the year and are administrated separately by Nativity (SACPSSA) and Pilgrim (SACSA) for their students.

Information relating to these carnivals will be communicated accordingly by each school.

**We look forward to you being a part of a successful
Campus Sport Program in 2024**
