

From the Principal

Dear Parents/Carers,

Thank you to the volunteers who were able to attend our volunteer morning tea last week. To the volunteers who were not able to attend this event, we look forward to acknowledging you at our assembly in term 4 where we announce our VAFOS award - Volunteer Award For Outstanding Service. I hope that you all enjoyed the morning tea prepared by Dave in our school canteen, and you enjoy your tokens of our appreciation for all that you do to support our staff, students and school.

Our mid-year reception students have now completed their second transition visit and we look forward to seeing them again in two weeks' time when they will stay for a longer visit where they will have the opportunity to play during recess time before going home.

It was wonderful seeing the Coorong students enjoying the sunshine and participating in nature play activities on the middle oval last Friday. Their enthusiasm, creativity and collaboration was wonderful to see. Although the sun is amazing, we are desperately awaiting some consistent rain so that we can start planting the plants in to nature play area and water our soon to be planted shrubs and trees. Fingers crossed this will come after next week so that our planting can go ahead as planned, without too much disruption.

Thank you Gray Sensei for organising the Taiko Drumming. All students were provided with an opportunity to not only learn about Taiko drums, but also experience playing these wonderful instruments. You are invited to our Reconciliation assembly on Friday 31st May presented by our Aboriginal students who will share information about Reconciliation and classes will share the learning and work they have been doing in their classroom. We are also looking forward to seeing the students participating in this year's Festival of Music choir performing to the school for the first time this year. They will be singing 'Beautiful Creatures'

Next week is swimming week! Our Reception to Year 4 students will be attending Noarlunga Swimming Centre each day for their swimming lesson. This is an important part of the Physical Education program and assists in keeping students safe when around water. Year 5 and 6 students attend Aquatics where they have the opportunity to transfer the skills learnt in these lessons at the beach.

We are continuing to seek volunteers to assist in the school canteen, if you have any time available to volunteer on any morning Monday to Friday please contact Dave in the canteen or Sam at the Front Office. Volunteering can be on a weekly basis, once a term or whatever suits you.

Kind regards,

Sharon Willoughby

Principal

YELP Update

Our YELP – Youth Environment Leader's Program students are excited to share the skills they have learnt at their visit to Glenthorne National Park earlier this term. The YELP students will support students from all classes to plant the shrubs and trees that we have received under the One Tree, One Child initiative. These trees and shrubs have been carefully selected to attract local wildlife back onto our school grounds by providing food and habitat to the local species as well as increase the canopy of our local area to help support Green Adelaide. We are looking forward to planting, caring and watching these plants grow as we enjoy the wildlife that comes into our school.
