

From the Principal

Dear Parents/Carers,

We would like to wish both Cheryl White and Deb Sears all the very best on their retirement. Cheryl officially retired on Friday 14 June and Deb's last day is this Friday. Both Deb and Cheryl have spent many years supporting students at Thiele Primary School. Students had the opportunity to express their thanks at last week's assembly hosted by T13.

Simon Wilson our Aboriginal Community Education Officer (ACEO) has been successful in winning a position with Onkaparinga Council in the role of Aboriginal Community Education Officer. Although Simon is no longer able to work within our school on a weekly basis we hope to work with Simon throughout the year in various events.

NAIDOC Week is celebrated from Sunday July 7 to Sunday July 14. NAIDOC Week, which first began in 1975 provides an opportunity for all Australians to learn about First Nations cultures and histories and participate in celebrations of the oldest, continuous living cultures on earth.

This year's theme is 'keep the fire burning! Blak, loud and proud'. The theme honors the enduring strength and vitality of First Nations culture, with fire a symbol of connection to Country, to assist, to each other, and to the rich tapestry of traditions that define Aboriginal and Torres Strait Islander peoples.

Wednesday July 3, Neporendi Aboriginal Forum Inc and City of Onkaparinga are hosting a family fun day which will start with a march down Beach Road to Rotary Park, Beach Road, Christies Beach. There will be plenty of free activities, food and awesome entertainment throughout the day for families to enjoy.

Six of our aboriginal students have been working on a design to represent their thoughts of Strong in culture, Stronger together for their painting. These paintings along with the student's explanation of their painting will be entered into the Nunga Art Competition and will be on display at 55 Currie Street, Adelaide. We thank and acknowledge Portia K, Aubree M, Amari C, Carly H, Zaria C and Flynn S for their participation in this competition and look forward to sharing their fabulous paintings and thoughts at our next assembly.

We are grateful for the recent rain that has been watering our recently planted trees on the top oval. We look forward to the plants being planted in the Nature Play area very soon so that the students can enjoy watching them.

We look forward to meeting and sharing morning tea with the Grandparents and Grandfriends of our students in T1, T2 and T5 on Friday July 5. This is a wonderful time where our young students have the opportunity to share their school experiences with their grandparents and grandfriends and to compare similarities and differences of school life with them.

Once again our bully survey has indicated that many of our students are playing on their devices in their bedrooms or when unsupervised by an adult. The survey also indicated that students reported being bullied online while playing with players unknown to them. To ensure safety for all, please ensure your child is directly supervised when playing online and using devices and say no to devices in their bedrooms.

Parents/carers of our current and mid-year Reception students are invited to a coffee and chat in the Thiele staffroom on the first day back to school after the holidays. We hope you all enjoy the holidays and manage to find some time to make some special memories with your children during this time.

Kind regards,

Sharon Willoughby

Principal
